Beloved Transformation Education (TE) Partners,  
As I write I am going to borrow from Apostle Paul's 2nd letter to the Corinthians (8th chapter).

Brothers and sisters, we want you to know about the grace that God has given the *Transformation Education team members in Sierra Leone*. In the midst of trials, their overflowing joy, and their extreme poverty well up in rich generosity. For I testify that they give as much as they are able, and even beyond their ability. Entirely on their own, they urgently pleaded with us for the privilege of sharing in this service to the Lord's people. And they exceeded our expectations: They gave themselves first of all to the Lord, and then by the will of God also to us (TE). (8:1-5)

May TE partners excel in the grace of giving. Our desire is that the Sierra Leoneans may be relieved so that in turn their plenty will supply what you need. (8:7, 13)

We are taking pains to do what is right, not only in the eyes of the Lord but also in the eyes of man. (8:21)

We have increased our Sierra Leone ministry team with brothers and sisters who have often proved to us in many ways that they are zealous, and now even more so because of their confidence in Transformation

Education Partners. (8:22) May these new members of growing TE (staff, children, teachers, schools, and communities) see proof of love, and the reason that Transformation Education is pleased to be missionaries sent by you. (8:24)

God loves a cheerful giver, and He is able to bless you abundantly, so that in all things at all times, having all that you need, you will abound in every good work. (9:7, 8)

Others will praise God for the obedience that accompanies your confession of the Gospel of Christ and for your generosity in sharing with them and with everyone else. In their prayers for you their hearts will go out to you, because of the surpassing grace God has given you. Thanks be to God for his indescribable gifts! (9:13-15)  
Thank you for caring and sharing!

**Prayer Point — Staffing Needs:** Transformation Education is in a season of God-given growth—marked by increasing partnerships and deepening impact across Sierra Leone and other West African countries. As our teacher training, school support, and discipleship initiatives expand, the need for strengthened leadership and operational support has become clear both **in-country** and in the **United States**. We are now seeking to add three key leaders in Sierra Leone—a Program Manager, Finance & Administrative Officer, and Partnerships & Communications Officer—who will walk closely with our In-country Director to ensure programs are implemented with excellence, integrity, and accountability. At the same time, we are seeking an Assistant (Associate) Executive Director in the U.S. to help strengthen partnerships, organizational sustainability, and collaboration between U.S. leadership and TE Sierra Leone. These roles will allow our Executive Director to focus more fully on vision, relationships, and long-term impact, while ensuring that the ministry continues to grow in a healthy, God-honoring way.
